With Three Treasures Wellness LLC

National Nurses Week 2026: May 6th - 12th!

Your nurses work HARD! Let me take good care of your care team this year.

My mom is an RN. I remember years of night shifts at ask-a-nurse, that brief time she was a substitute school nurse, all her hospital stories (and the lasting back injuries from those times).

I know how hard nurses work and the unique challenges they face in caregiver fatigue, patient education, and physical strain. Ear acupuncture is designed to support the whole person - you can learn more about the NADA protocol 's use in chronic stress here: <https://pmc.ncbi.nlm.nih.gov/articles/PMC5874585/>

Who are you? My name is Grace Ganel, but please call me Ellis!

I'm a licensed acupuncturist in VA, MD, and DC certified in the NADA protocol.

What are you offering? You pay for my time, I treat up to 10 nurses per hour with non-invasive auricular care - needles and/or magnets.

What is the cost? \$200 per hour
